

Date: _____

MEADOW LAKE NOLTE DAM ASSOCIATION (MLNDA)

Member Application Form

Name(s): _____

Lake Address: _____

Mailing Address (if not the lake property): _____

Phone Number(s): _____ Email(s): _____

Does your property touch the lake? Yes / No

Do you have access through an HOA? Yes / No

Is your lake property your homestead? Yes / No

Are you eligible to vote in Guadalupe County? Yes / No

Would you like to join MLNDA (please circle one)? Yes / No Member dues \$50 & 1 vote per person** (tax deductible)

Members will receive email communications on a regular basis to keep you updated on any river/dam news. Members also will be allowed to vote for Board Members/Officers as well as major financial decisions (ex., moving forward with WCID formation). Your dues will be used for operating and business expenses/fees that MLNDA incurs. Membership is granted after completion and receipt of this form and annual dues. All memberships will be granted upon a majority vote of the Board of Directors.

We are also accepting donations to help fund the efforts to save Meadow Lake. **Any donation over \$50 provides automatic membership to a person. Both dues and donations are tax-deductible as MLNDA is a 501(c)(3) non-profit corporation. Payments and this membership application form can be mailed to:

Roxanne Henricksen
40 E Hampton Dr., Seguin, TX 78155

****Please make checks out to "MLNDA"**

You can also visit our website at www.MLNDA.org to pay with PayPal/credit card.

If you are interested in joining one of our committees, please see reverse side for committee descriptions and specify which committee(s) below:

Are there any other skills or connections you have that you think might help MLNDA? _____

Signature(s) _____

By signing this form, you agree to abide by the MLNDA Bylaws and any Amendments to them.

Thank you for your support! We can save our Meadow Lake, which will continue to serve and beautify the community and city of Seguin, if we combine our knowledge and talents, and work as a team.

Office Use: Dues paid amount: _____ Donation amount: _____ Check #: _____

***Note that in the below committees, descriptions and roles may be revised to best fit the intended purpose of the committee.**

Membership & Communications Committee

Communications: Communicate updates to members working closely with President for relevant information. Manage MLNDA website, Facebook postings and related postings to Save Our Lakes Coalition. Arrange monthly board meetings, annual membership meetings, social get-togethers of members and any other events requiring membership.

Membership: Support in spreading the word for the addition of new members and renewal of existing members. Aid in answering phone calls, emails and other communications of existing members and direct where to find answers. Will work closely with President to ensure accurate information is passed along.

HSE Committee (Health, Safety and Environment)

Duties include water safety and boating, water quality, encouragement of fishing, tree protection, debris removal, protection of shoreline, growth of noxious vegetation (algae in water), and enhancement of the lake. Will work with GBRA to promote some or all of the pre-mentioned duties. Will organize and coordinate periodic river clean-ups with membership and GBRA.

Fundraising Committee

Raise funds for all initial upfront costs including, but not limited to: Comprehensive engineering study, district creation, grant writing and lobbyists. Raise funds through major contributions of members, local businesses and others. Manage how information of MLNDA and its major activities are disseminated to the public including what's the purpose of what the fundraising efforts will accomplish. Coordinate event fundraisers and merchandise sales for fundraising. Apply for relevant grants once defined scopes are known.

Engineering & Construction Committee

Evaluate all gate replacement options with goal of lowest life cycle cost that is technically feasible. Develop scope of work for design and engineering of new gate replacement and evaluate qualified engineering firms for work. Work closely with engineering firm throughout design to develop optimal solution for Meadow Lake. Work closely with private hydroelectric operator to ensure their requirements are included in new gate design.

Financing/Contracts and District Committee

Financing/Contracts: Will negotiate all contracts and agreements with relevant parties including, but not limited to: GBRA, city, county, GVEC, private hydroelectric operator, engineering firm and construction contractor. Develop financial models and agreements, including revenue and expenses, for all related parties, and combine into a comprehensive financial plan for district creation.

District: Evaluate district types and choose one that best suits MLNDA objectives. Create district with activities including but not limited to: Petitioning of district, survey of district boundaries, create and coordinate political action group, and voting of bonds. Interface with lawyers, financial advisors, bond council, survey company, city and county for approval, and others for creating district.
